

Sugar Creek

MARCH 2023

HOMES ASSOCIATION

MANAGERS CORNER

Hi Neighbors!

Spring seems to be headed our way, but in Texas, you can never really tell.

The Association is doing like most of you and is cutting plants back to see which survived and which needs to be replaced. I am always amazed by the brave little plants that surface after winter. Now is the time to start planning those projects that get your property ready for the spring.

The Association has been overwhelmed by the number of directory forms we have received so far. With over 250, we are off to a great start. If you have not submitted yours, give us a call and we can email a form to you. Remember, the office must receive your completed form in order for your information to be included. The directory is a great resource when reaching out to your neighbors!

Your 2023 budget is on page 3. Please have a look and call if you have any questions.

Projects are already underway that I think you will find improve the overall community.

Finally, mark your calendar for Saturday, April 22nd. The Association is excited to provide both, a shredding truck, and a donation truck at the Club for your convenience. You will be able to drop off boxes of shredding and a bag or two of items you no longer use in your home. So, start that Spring cleaning now!

Happy to serve you,
Robin
